Office of the ~~President~~, ⁴
Deputy Commissioner
Kolar District,
Kolar dated the 9th June 1948

Subject - Revision of scales of pay of Municipal Employees
in Kolar District

From a scrutiny of the proposals received from the Municipality for the revision of pay and prospects of Municipal employees in this District it is seen that no uniformity was maintained in adopting the scales of pay and the scales proposed were not similar to those sanctioned to the employees of Government Departments with a view to see that the scales of pay sanctioned to Municipal employees are similar to those sanctioned to Government employees and also to facilitate interchange of officials from one Department to another, the Municipalities have been classified into three divisions having due regard to its resources of income

- I Group Municipalities having an income of Rs over 30,000
- II Group Municipalities having an income between Rs 10000/- and Rs 30000/-
- III Group Municipalities having an income below Rs 10000/-

The scales of pay to be adopted by each Municipality have been proposed on the basis of income of the Municipality and shown in the statement enclosed. The method to be followed in fixing the pay of the Municipal employees is given below

I Lent officials working in the Municipalities viz clerks, Chief officers, sanitary inspectors, vaccinators, Midwives and Revenue Inspectors should be given the same scales of pay as they would get if they had remained in their permanent places and the revised scale of pay of these officials should be given effect to from 1st January 1947 as stated in G.O. of September 47 revising the scales of pay of Government non-gazetted employees and weightage also should be given to them

II The revision of scale of pay in respect of permanent and temporary Municipal officials may be given with effect either from 2nd January 47 or 1st June 1947 or 1st September 1947 as the Municipal council may decide at any rate not later than 1st September 1947, having regard to their financial position. The question of giving weightage according to service as in Government service may also be considered in the case of these officials

The Municipal councils should pay the lent officials working under them at rates fixed in allocation statements of the respective Departments who have lent them

With a view to expediate submission of proposals, the presidents of Municipal councils are requested to call for a special urgent meeting of the council to consider the proposals now made on or before the 20th of this month. It is requested that resolutions proposed in this office

III Submit duplicate proposition statements showing the existing scales as per scale register, revised scales proposed by the Municipality, total extra cost involved in the revision-

IV Examine whether the councils are in a position to meet the extra cost from the closing balance of the council and also to provide the cost in the future annual budget estimates of the Municipality. The closing balance of the council on the day of the meeting should be furnished. As regards annual establishment there being no inter changes in Municipalities, the council may pay them at the various rates they proposed to adopt in consonance with their finances

The presidents are requested to pay their personal attention in this important matter and submit proposals in a complete form on or before 25th of this month

4/10

Sub: Revision of scales of pay of Municipal employees of Chickballapur Town Municipal Council.

Sir,

With reference to your letter No.L.1052-MI.105-48-8 dated 2-8-1948 forwarding the proposition statement of Chickballapur Town Municipal Council for verification, I have the honour to forward herewith the connected records received from the President. Municipal Council, Chickballapur with his report No.M.C.35 dated 13-8-48.

The Town Municipal Council, Chickballapur at their meeting held on 25-6-48 have discussed the question of revision of scales of pay for their employees on the lines of revision sanctioned to Government employees in G.O.F L.2010-70A.S.A.25-47-6 dated 21st September 47 and also on the basis of instructions issued by me in Memo dated 9th June 1948, a copy of which was sent to you on 9th June 1948. Government in their order No.L 1645 dated the 5th July 1948 were also pleased to approve of action taken by me to draw and disburse the pay of the menial staff on the basis of revised rates of minimum pay to the employees with effect from 1-2-48.

The Council in their resolution dated 25-6-48 have proposed to revise the scales of pay for their employees, and a copy of the resolution is enclosed in the records. It may be seen from the resolution as well as from the proposition statement now sent that the scales of pay of the Chief Officer, Clerks Sanitary Inspector, Darredar, Peons of Municipal Office and Midwife are at par with the scale sanctioned by Government to their employees. As regards the other Municipal employees viz Octroi Manegar, Octroi Mutsaddi and conservancy Maistry, the Council have adopted the scales suggested by me. The existing grade of the Head Clerk is Rs.40-2-50 which is proposed to be revised to 50-3-80 so that the senior hands in the second division may be posted

the council have proposed different scales. The scales of pay of only 8 sweepers and tollgate keepers have been ~~now~~ proposed to be revised to Rs.14/- where the scheduled pay of such Government employees is Rs.14-4-18. It may be seen from the proposition statement that the existing pay of helpers and some sweepers is Rs.4/- while that of watchmen and other sweepers is Rs 5/- and the council have proposed to give both these classes of employees a uniform raise of pay by Rs 4/-. This proposal appears to be reasonable. The existing pay of the water mechanic is Rs 20/- which is proposed to be revised to Rs.30/-1-40/- which is also reasonable.

The average cost according to the existing and revised scales of pay is Rs.11,660/- and Rs.17,971/- respectively, resulting in an increased cost of Rs.6311/- per annum. The council at their meeting held on 25-6-48 have proposed to revise the scales of pay of all the employees with effect from 1-1-47 as in the case of Government employees and to meet the extra cost from the closing balance of the council. Provision to meet the extra cost consequent on the revision of ~~new~~ scales of pay has been made in the budget of the current year, but the arrears of pay that will accrue from 1-1-47 to 1-7-48 has to be met from the closing balance. It may be seen from the review on the Budget estimate sanctioned by Government in their order No.L.2331-3 Ml.32-48-2 dated 1-9-48 that there is a closing balance of Rs.30,597/- and that the normal expenditure is within the normal income of the Municipality. The financial position of the council is sound and the Municipality can bear the extra cost.~~xxxxxx~~
~~xxxxxx~~ The proposition statement as desired by you has been verified and certified by the President of the Municipal Council

In the circumstances, I request you kindly to obtain the early sanction of Government to the proposal of the Municipality to revise the scales of their employees as detailed in the proposition statement. After the proposition statement is

- 2 -

sanctioned a detailed allocation statement will be sent to you for approval.

Yours faithfully,

Gangamallu

Deputy Commissioner,
Kolar District.
